Enter your Comment or Complaint:	Chipmunk Solar Farm will be a benefit to our Pickaway County community. Pickaway County schools will be one of the biggest beneficiaries of this project with millions of dollars of tax revenue created throughout the life of the project. It also protects our national energy independence as it produces clean, renewable energy. I encourage you to approve the Chipmunk Solar Farm and support economic growth in Pickaway County. 21-0960-EL-BGN
