<b>Enter your Comment or Complaint:</b>	Rural communities across Ohio are seeing the benefits of Solar Farm projects. Through landowner payments, job creation, and large amounts of tax revenue generated for local taxing bodies, projects like Chipmunk Solar can be a huge boon for communities like my home, Pickaway County. Our county has an opportunity to be a leader in a new, innovative energy and reap the benefits. Please vote YES to Chipmunk Solar. 21-0960-EL-BGN
