

Re: Case: 20-oo41-EL-BGN, Palamino Solar  
OPSB Members

I urge Board members to approve the Palamino Solar Project. Ohio needs clean energy. It is also a source of revenue for local communities. As a retired teacher, I saw firsthand how technology is becoming important in classrooms. But, technology is expensive! Approving Palamino Solar will protect our environment and help children have the educational resources they need.
