---

Dear OPSB,

I am writing in OPPOSITION of the Chimpunk Solar Project case # 21-0960-EL-BGN. I've seen recent emails submitted to your Board in support of this project and many if not all of the emails that were recently posted, are from individuals that do not reside anywhere close to this solar project. They will not be negatively affected by the construction traffic, construction noise, loss of wildlife habitat, devaluation of home value, families leaving the community....I could go on and on. This project will affect me. My family and I will be surrounded by the project. I hope and pray that my opinion is given more weight to your decision than someone's who doesn't even live within 15 miles of this project.

Thank you for your consideration.

Justin Glick
