Chipmunk Solar in Pickaway County 21-0960-EL-BGN

Karla Barnes, Williamsport, Ohio

Finally! Folks are stepping up in favor of having an industrial solar installation in Pickaway County. Bravo! – let them have it.

The current plan to turn Jackson, Monroe and Deercreek townships into an industrial park has not gone over well with the residents. But the people writing comments to the OPSB on 2/28/22 have a more positive attitude. What will it take to persuade Chipmunk to move the project to where the people are asking for it? This is a win-win solution.
