From: Michael Forte'

Date: March 4, 2022

Subject: Subject: S.R. 93, 13th St/OSCR, USDOT 151 447E, Wellston, Ohio, Lights & Gates, PID 113989, PUCO Order 22-66-RR-FED

Re: Initiation of Electrical Service Process

On June 22, 2021 I met with Chris Edge of AEP at the Subject railroad at-grade crossing location to begin the process to establish electric service for the project. AEP assigned Work Order 103233360 to this project.

After the meeting phone conversations have taken place concerning the design of the service and confirmation the project remains active.
