Enter your question or comment	Chipmunk solar will be a positive addition to Pickaway County. I believe this project will stimulate our local business by creating good paying jobs for members of our community. If we say no to Chipmunk Solar we will send a message to the business community our county is closed for business. We should not say no to new economic opportunities. Again, I support Chipmunk Solar. 21-0960-EL-BGN Chipmunk Solar
