<b>Enter your question or comment</b>	<p>I am in total support of Chipmunk Solar. We need energy dependence now in our country. Solar farms have are being developed across Ohio and communities are seeing the benefits they bring along. This will be not only American made energy but energy produced right here in our community. Think about this, we could become one of the top energy producers in Ohio. We have a unique opportunity that we must take advantage of. Thank you for your consideration. 21-0960-EL-BGN</p>
