As-Built Package Submission Extension Request

Dear Mr. Zeto;

Hillcrest Solar I, LLC (Hillcrest Solar) is certified to construct a solar-powered electric generation facility in Brown County, Ohio in accordance with the Certificate of Environmental Compatibility and Public Need (CECPN or Certificate) from the Ohio Power Siting Board (OPSB) on February 15, 2018 (OPSB Case Number: 17-1152-EL-BGN), Order on Certificate on February 21, 2019 (OPSB Case Number: 18-1267-EL-BGA), and Construction Notice on June 21, 2020 (OPSB Case Number: 20-0614-EL-BNR).

The Hillcrest Solar docketed substantial competition of the Hillcrest Solar Project (the Project) on November 17, 2021. As per Condition No. 5 of the Certificate, as-built documents are to be submitted to the OPSB 60 days upon completion of the Project. Due to ongoing civil and restoration work, Hillcrest Solar requested an extension for the as-built submission to July 16, 2022 via email on January 12, 2022 with the OPSB. This letter serves to document this request on the compliance docket.

We are available, at your convenience, to answer any questions you may have.

Sincerely,

Julia Mancinelli, Director – Environment
