Subject: Vote Yes on Border Basin Solar Case Number: 21-0277-EL-BGN

Members of the OPSB,

It is great that renewable energy will be produced right here and the local power company will supply it. We have solar panels on our rooftop and are happy that power we will get from the company will also be from (hopefully mostly) renewable sources. That it will create jobs and benefit the schools would be an added bonus.

Sincerely,

Padmini Sekar
