Motion to Modify Procedural Schedule

Pursuant to Rule 4901-1-13, Ohio Administrative Code, Defendant The Toledo Edison Company (“Toledo Edison”) moves for a continuance of the currently scheduled April 28, 2022 evidentiary hearing.

This motion is not being made for purposes of delay; instead, Defendant Toledo Edison recently retained new counsel, and new counsel has a scheduling conflict with the current hearing date. In light of the above factors, Toledo Edison seeks this extension in order to take into account the time needed for new counsel to familiarize himself with the case, and to accommodate new counsel’s scheduling conflict.

Wherefore, Defendant Toledo Edison respectfully request this Motion is granted and the procedural schedule is modified to continue the currently scheduled hearing.

Respectfully Submitted,

/s/ John W. Breig, Jr.
