Re: Case Nos. 21-1036-GA-RDR
21-1037-GA-ATA

Dear Ms. Troupe:

Pursuant to the Attorney Examiner's Entry of March 2, 2022, Duke Energy Ohio, Inc. (Duke Energy Ohio or Company) was directed to file a statement by March 30, 2022, informing the Public Utilities Commission of Ohio (Commission) whether the issues raised in comments in this proceeding have been resolved. The only comments filed were on behalf of Staff of the Public Utilities Commission of Ohio (Staff).

Although the Company disagrees with the one disallowance recommended by Staff and the supporting reasoning, the Company does not wish to contest Staff's Review and Recommendation because the amount at issue is *de minimis*, only \$ 8.96, and ultimately inconsequential to AMRP rider rates. Therefore, there are no issues to be resolved and no hearing is needed.

Should you have any questions please feel free to contact me.

Respectfully submitted,

/s/ Jeanne W. Kingery
