Re: *The East Ohio Gas Company d/b/a Dominion Energy Ohio*, Case No. 21-296-GA-ATA and
Case No. 21-297-GA-UNC

Dear Attorney Examiner See:

Given the unopposed Stipulation and Recommendation filed in this proceeding (Stipulation), The East Ohio Gas Company d/b/a Dominion Energy Ohio (DEO) and Staff believe that a hearing is not necessary in this matter for the Commission to resolve DEO's Application and agree that the following exhibits can be admitted into the record:

- Joint Exhibit 1.0, Stipulation and Recommendation (filed March 18, 2022)
- DEO Exhibit 1.0, DEO's Application (filed April 1, 2021) (with exhibit)
- DEO Exhibit 2.0, DEO's Response to the Staff Report (filed October 22, 2021)
- DEO Exhibit 3.0, Testimony of Ella R. Hochstetler in Support of the Stipulation (filed March 28, 2022)
- Staff Exhibit 1.0, Staff Report (September 22, 2021)

Since the Stipulation fully resolves all issues raised by DEO's Application, DEO and Staff also believe that post-hearing briefing is not necessary. However, counsel for DEO and Staff are available to discuss the Stipulation and Recommendation, if you have any questions.

For these reasons, DEO and Staff request that the Commission, after giving consideration to all of the evidence in the record, expeditiously issue an order approving the Stipulation.

Respectfully submitted,

/s/ Christopher T. Kennedy

*Counsel for The East Ohio Gas Company d/b/a
Dominion Energy Ohio*
