Enter your question or comment	<p>Ohio Power Siting Board: I am a member of IBEW Local 8 and I support South Branch Solar. I live in Findlay and will have the opportunity to work on South Branch Solar. Having worked on solar projects throughout my career I can say solar farms are safe, and do not pollute the environment. South Branch Solar will also add tax revenue to our local schools. Leeward has committed to hiring local workers. For the above reasons and many more, South Branch Solar will be a positive addition to our community. Beau Bickford, Findlay Case number 21-0669-EL-BGN South Branch Solar</p>
