Enter your question or comment	<p>Ohio Power Siting Board: I am writing to ask the OPSB to approve South Branch Solar. I am a member of IBEW Local 8 and a resident of Van Buren. Myself along with many other residents of my community rely on projects like South Branch Solar for work. I have seen a lot of misinformation about solar energy in our community over the last year. Solar farms are an efficient form of energy generation. I have witnessed communities with solar farms continue to grow while communities without remain stagnant. South Branch Solar will be a benefit to our community. I am asking you to please approve South Branch Solar. Stephen Hardie, Van Buren Case number 21-0669-EI-BGN South Branch Solar</p>
