Enter your question or comment	<p>I support Chipmunk Solar and so should every member of the county. Chipmunk Solar will bring good paying jobs to our community that will tap into a great work force who are always ready for new opportunities. Today is a good day to start supporting energy independence and diversifying with solar brings us one step closer to more revenue to support the needs of the community. It is a landowners' right to do whatever they want with their land and that is why I support these landowners deciding what is best for their own family. Please support Chipmunk Solar in Pickaway County. 21-0960-EL-BGN Chipmunk Solar</p>
