<b>Enter your question or comment</b>	<p>There are many reasons it makes sense to support the Chipmunk Solar Farm Project. Welcoming new economic development should be a no brainer if you support more job opportunities for our residents. I am excited about all the new benefits our county will see by supporting this farm project. Chipmunk solar farm will generate millions of dollars for our local schools and roads. It would be in the best interest of every resident in Pickaway County to support Chipmunk solar farm. 21-0960- EL-BGN Chipmunk Solar</p>
