Enter your question or comment	<p>Ohio Power Siting Board: My dad is an electrician and is a member of IBEW Local 8. I am a resident of Findlay and I support South Branch Solar. South Branch Solar will provide a job for my dad. It is also important that we bring in change for the good of our community. Yes, it is a change, but it is a positive one. I haven't seen any new investment in our community in years. This is an opportunity for us to show companies that Hancock County is still open for business. South Branch Solar will be a benefit to our community. Amber Pisarsky, Findlay</p>
