<b>Enter your question or comment</b>	<p>Our Pickaway County community will benefit from the Chipmunk Solar Farm. Our students will be among the ones who benefit the most from this as there will be millions of dollars of tax revenue going into our schools. It is great that they will not only get tax revenue once, but every year during the life of the project and that will have a long-term impact on our county's ability to educate the best workforce possible. I am also thrilled that more tax dollars will be brought through clean, renewable energy, while at the same time protecting our national energy independence. I strongly encourage you to consider supporting the Chipmunk Solar Farm Project. 21-0960- EL-BGN Chipmunk Solar</p>
