

THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE JOINT PETITION OF OHIO
POWER COMPANY D/B/A AEP OHIO, INC. AND
UNION RURAL ELECTRIC COOPERATIVE TO REVISE
THEIR CERTIFIED TERRITORIES.

Case No. 22-0357-EL-PEB

To the Honorable Commission:

In accordance with Section 4933.83(E), Revised Code, the Ohio Power Company (Ohio Power) and the Union Rural Electric Cooperative (Union Rural) filed a joint petition before the Public Utilities Commission of Ohio (Commission) to reallocate a portion of their electric certified territories. The aforementioned companies filed this joint petition to allow Ohio Power to serve Amazon Data Services, Inc. within the territory of Union Rural. The Amazon Data Services, Inc. location is located at 8567 Warner Rd, Plain City, OH 43064 (parcel number 1500300200000), in Union County. A boundary change is not appropriate as the overlap is limited to this customer and the site is not easily carved out. The proposed overlap is illustrated in the attached map.

Staff of the Commission (Staff) reviewed the petition for conformance with R.C. 4933.81 to 4933.90. The petitioning electric suppliers and all affected customers are in agreement with the proposed reallocation. Absent any objections from the Commission or other parties, Staff recommends approval of the proposed reallocation of electric certified territory.

Sincerely,

A handwritten signature in black ink, appearing to read "Theresa White". The signature is fluid and cursive, with the first name "Theresa" being more prominent than the last name "White".
