### Petition to: Preserve & Protect Green Spaces from Utility-Scale Solar

<b>Petition Summary:</b>	The South Branch and Border Basin Solar projects are being proposed for construction in our predominantly agricultural and recreational region of Hancock County, Ohio. We are asking you to sign this petition if you would like to preserve and protect green spaces in Hancock County, Ohio from utility-scale solar plants. For more information about the proposed project, our mission, and how you can further support this cause please visit our FB page at Promote Wise Land Use-Hancock County. Email: promotewiselanduse@gmail.com
<b>Action Petitioned For:</b>	We, the undersigned, are concerned citizens who urge our township trustees, county commissioners, and the Ohio Power Siting Board to protect the treasured green spaces in Washington and Cass Townships of Hancock County, Ohio. We urge our trustees, commissioners, and the OPSB to reject any efforts to <b>develop or receive a certificate to develop a utility-scale solar plant (major utility facility)</b> by South Branch and Border Basin Solar projects.

# Petition to: Preserve & Protect Green Spaces from Utility-Scale Solar

<b>Petition Summary:</b>	The South Branch and Border Basin Solar projects are being proposed for construction in our predominantly agricultural and recreational region of Hancock County, Ohio. We are asking you to sign this petition if you would like to preserve and protect green spaces in Hancock County, Ohio from utility-scale solar plants. For more information about the proposed project, our mission, and how you can further support this cause please visit our FB page at Promote Wise Land Use-Hancock County. Email: <a href="mailto:promotewiselanduse@gmail.com">promotewiselanduse@gmail.com</a>
<b>Action Petitioned For:</b>	We, the undersigned, are concerned citizens who urge our township trustees, county commissioners, and the Ohio Power Siting Board to protect the treasured green spaces in Washington and Cass Townships of Hancock County, Ohio. We urge our trustees, commissioners, and the OPSB to reject any efforts to develop or receive a certificate to develop a utility-scale solar plant (major utility facility) by South Branch and Border Basin Solar projects.
