Subject: Birch Solar Opposition

Matt,

I am writing you today to voice my opposition to the Birch Solar 1 complex. Our Allen County Commissioners have passed a resolution excluding our county for renewable energy developments of this size and I believe this should have applied to Birch Solar 1.

Please consider the negative impacts this complex will have on the lives of people and communities in the designated counties. Hopefully this consideration will result in a decision not to allow Birch Solar to proceed with their complex within our communities.

Sincerely,  
Tim Lovett
