Subject: Against Birch Solar

I am writing you today to voice my opposition to the Birch Solar 1 solar complex. Our County Commissioners have passed a resolution excluding our county for renewable energy developments of this size and I believe this should have applied to Birch Solar 1. When I went in the US Army, at the end of the farm crisis, I purchased a property a mile east of the proposed project in Shawnee Township. I moved around the world serving my country. When I retired in 2018 I built a new home on that property. Then I find out they want to put in several thousand acres of solar panels right down the road. I oppose this INDUSTRIAL solar complex in the strongest terms.
