**Subject:** Birch Solar Opposition

I am writing to you today to voice my opposition to the Birch Solar 1 solar complex. Our County Commissioners have passed a resolution excluding our county for renewable energy developments of this size and I believe this should have been applied to Birch Solar 1.

I also don't believe there should be a solar field of the size so close to this many homes or schools. I am also concerned with the drilling of the stacks to put these panels on. How many field tiles will be broken when this happens. We already have an issue with flooding in my area. My home & several other homes are in a flood zone already.

If there is anyway this project could be completely denied or made extremely small that would be greatly appreciated.

Thank you for your time.

Angela Holmes
