**Construction Notice
State Route 63 Transmission Line Relocation Project**

Dear Madam:

Duke Energy Ohio, Inc. (Duke Energy Ohio or Company) recently withdrew its application in OPSB Case No. 22-11-EL-BNR regarding this project. The Company is re-filing this project under OPSB Case No. 22-445-EL-BNR due to the need to clarify more information for the project.

The Ohio Department of Transportation plans to widen State Route 63 in Turtle Creek Township, Warren County, Ohio, necessitating the relocation and rebuilding of an existing 69 kV line, using poles that will be taller than the ones currently in place. Duke Energy Ohio currently owns and operates a 138 kV line and a 345 kV transmission line, both of which cross over the previously mentioned 69 kV line that is proposed to be raised and relocated. Under Duke Energy design standards based on the National Electric Safety Code, it is required that the 138 kV and 345 kV transmission lines also be raised to allow for appropriate electrical clearances. Specifically, the Project for consideration by the OPSB involves replacing two transmission line lattice tower structures along circuits F5485 (138 kV) and F4515 (345 kV) with three new steel monopole structures with foundations. The existing circuits will be transferred to the new poles. New conductor stringing work is not planned. The work will be completed within the existing right of way.

In accordance with O.A.C. 4906-1-01 Appendix A, we are required to prepare this Letter of Notification for the Ohio Power Siting Board and, in compliance with O.A.C. 4906-6-07, we are hereby providing you with a link to an electronic copy.

A copy of the application has been placed at the main office of Duke Energy Ohio at 139 E. Fourth Street, Cincinnati, Ohio 45202, and at the offices of the Ohio Power Siting Board, 180 East Broad Street, Columbus, Ohio 43215. The Application is also available on the Duke Energy Ohio website, at: www.duke-energy.com/SR63relo and on the Ohio Power Siting Board's website, at: [DIS - Case Record for 22-0445-EL-BNR \(state.oh.us\)](http://DIS - Case Record for 22-0445-EL-BNR (state.oh.us)).
