Daniel Fullin

Attorney Examiner

Public Utilities Commission of Ohio

180 East Broad Street

Columbus, Ohio,

Mr. Fullin:

Settlement negotiations are still ongoing. During our last conference call with James Lynn and Attorney Christopher Hollon, Mr. Lynn asked as a result of our request if the tree trimmers could find a "middle ground" that would satisfy both AES and us in terms of AES's service delivery and our concern about damaging the value of the tree.

To date we are still waiting for a response.
