Environmental Compatibility and Public) Case No. 21-0823-EL-BGN
Need. Located in Van Wert County, Ohio.)

**WILD GRAINS SOLAR, LLC'S
LIST OF ISSUES FOR CROSS-EXAMINATION**

On March 3, 2022, the Ohio Power Siting Board, through its administrative law judge (“ALJ”), issued an entry that ordered parties to file their lists of issues for cross-examination by May 6, 2022. In the March 3, 2022 entry, the ALJ instructed the parties to list the “citing specific concerns about which they may be interested in pursuing cross-examination of witnesses at the evidentiary hearing.” Wild Grains Solar, LLC (“Wild Grains”) hereby submits its cross-examination issues list:

1. Wild Grains may pursue cross-examination of Intervenors regarding their concerns and/or statements about (1) the Wild Grains Solar Project; and/or (2) solar and/or renewable energy in general, including but not limited to as set forth in the content of Public Comments, testimony, and/or other public statements made about the Project by the Intervenors or anyone acting on their behalf or at their direction.
2. Wild Grains may pursue cross-examination of any person(s) called as a witness to the case regarding matters relevant to this proceeding;
3. Wild Grains may pursue cross-examination from any individual subpoenaed to attend this proceeding; and

4. Wild Grains reserves the right to amend or supplement this issues list. Further, Wild Grains' failure to include an issue on this list does constitute a waiver of Wild Grains' right to cross-examine witnesses on additional issues at the hearing.

Respectfully submitted on behalf of
