If civil forfeitures are assessed, you will receive a separate notice by mail. These penalties may be assessed to motor carriers, shippers, and/or drivers. ## Note to carrier this section applies to self adjusting brake.

**Advisory:** This vehicle has been identified to have brake adjustment violations. 49CFR Section 393.53 requires that a self-adjusting brake system be equipped on this vehicle. A qualified service technician needs to determine why the defective brake has excessive stroke and make the appropriate repairs. Simply re-adjusting a self-adjusting brake adjuster, or replacing it, does not guarantee that the problem is corrected. The problem may exist in the foundation brake system. By certifying this inspection report you have indicated that his vehicle now has a properly functioning self-adjusting brake adjustment system.

ATTENTION DRIVER: This report must be sent to the motor carrier whose name appears at the top of this inspection report within 24 hours. If the inspection report cannot be delivered within 24 hours the driver must mail or fax the inspection report to the motor carrier.

## \*\*\*\*\* POSSIBLE CDL DISQUALIFICATION \*\*\*\*\*

If this roadside inspection identified an alleged violation of one or more of the below noted regulations, your CDL may be disqualified. If the PUCO finds you committed a violation of any of these regulations, the violation will be treated as a conviction for the purposes of federal and state law and notice of such conviction will be forwarded to the Ohio Bureau of Motor Vehicles (BMV). The BMV may disqualify you from operating a commercial motor vehicle for a minimum of 60 days. Any BMV sanction is in addition to sanctions imposed by the Public Utilities Commission of Ohio (PUCO).
