Re Case # OH3207303031D

Dear Sir/Madam,

I Shabbir Ahmed Gujar, Drivers License number VH847363 would like to appeal the above referenced case because of the reason that I didn't understand the words explained to me over the phone during my hearing. I can speak Little bit English but I really can't understand. The officer might have explained everything but my understanding was that I only have to pay fine without understanding that my license would be suspended. I would like to appeal the decision and request for re-hearing with a translator so I could better understand everything before making any decision. Please reach out to me in case of any questions or concerns.

Regards,

PUCO
