RE: GoldStar Communications, LLC – Access Service Tariff
Case 10-2387-TP-COI

Dear Ms. Troupe:

Pursuant to the May 18, 2022 Entry in the above-referenced matter, GoldStar Communications, LLC (“GSN”) submits this Letter affirming that it is already in compliance with the requirements of this Case.

GSN’s Ohio intrastate switched access rates are set at parity to its corresponding interstate rates, as set forth in the Company’s P.U.C.O. Tariff No. 1 submitted in Case No. 13-0866-TP-ATA. In that revision, GSN set to zero all rate elements not contained in its interstate tariff and expressly mirrored its interstate services for the remainder. Accordingly, GSN’s switched access rates are already in compliance with the requirements of the above referenced case.

If you have any questions regarding this letter, I may be reached at 770-649-1886 or via email to Eileen@Bodamer.com.

Sincerely,

A handwritten signature in black ink that reads "Eileen M Bodamer". The signature is fluid and cursive, with the first name "Eileen" and last name "Bodamer" clearly distinguishable.
