Enter your question or comment	<p>I support Chipmunk Solar, 21-0960-EL-BGN. I believe that a top priority for our county should be to reduce our carbon emissions. By supporting Chipmunk Solar Farm we take a small, but I think important step in guaranteeing that we can move Ohio towards a more sustainable future. The economic benefits of this particular solar project will be huge as well. Having more tax revenue will help our county elected officials fund necessary programs that perhaps they previously did not have the opportunity to do, including the potential increase for our school systems that will educate the future of Pickaway County. Please consider supporting Chipmunk Solar Farm.</p>
