**Memorandum in Support of the Motion of Ohio Industrial Energy, LLC for an Extension
of the Term of its Certificate**

Ohio Industrial Energy, LLC filed for a renewal of its competitive retail energy supply certificate on May 23, 2022. Its current certificate has an expiration date of June 21, 2022. The thirty day window by which to file a renewal application without seeking an extension of the term of the current certificate thus fell Sunday, May 22, 2022. Although it may be argued that Commission rules would extend the period by which Ohio Industrial Energy could file its renewal application without a motion seeking an extension under Rule 4901:1-24-09(B) to May 23, 2022, see Rule 4901-1-07(A), in an abundance of caution, Ohio Industrial Energy is filing this motion for an extension as provided by Rule 4901:1-24-09(B). It affirms that it is compliance with all the terms and conditions of its current certificate and otherwise satisfies the requirements of Rules 4901:1-24-07 and 4901:1-24-13. Accordingly, Ohio Industrial Energy requests that the motion for an extension take effect as provided by Rule 4901:1-24-09(B).

Respectfully submitted,

/s/ Frank P. Darr
