Enter your question or comment	<p>Thank you for taking the time to read this letter showing support for the Chipmunk Solar Farm Project, 21-0960-EL-BGN. The extensive increase in gas prices has affected every Ohioan's budget. Worldwide events including the war in Ukraine, the global pandemic, and the world's market price on oil have greatly contributed to this crisis. It is truly amazing that we can do a small, but important part here in Pickaway County to provide relief for our residents through more tax revenue to the county and more job opportunities.</p>
