Re: In the Matter of the Commission's Investigation into Intrastate Carrier Access Reform
Pursuant to Sub. S.B. 162, PUCO Case No. 10-2387-TP-COI

Dear Ms. Troupe:

Pursuant to the May 18, 2022 entry in the above-referenced matter, McClure Telephone Company submits this letter affirming that its tariff is already in compliance with the requirements of this case.

In its filing last year, McClure Telephone Company revised its 8YY access rates to reflect compliance with the rate step down defined in the May 18th entry in this case, specifically, the "FCC 8YY Access Charge Reform DA 20-143, as may be modified, supplemented, or amended".

McClure Telephone Company's tariff is already in compliance and the rate revision will be implemented on July 1, 2022 as required by its tariff.

Please call me at 320/848-6641 with any questions.

Sincerely,

/s/Roxanne K. Hacker
