Re: Case No. 10-2387-TP-COI

Dear Ms. Troupe:

This letter of compliance is filed pursuant to the requirements of the above referenced case.

Pursuant to 47 CFR of 47 C.F.R. 61.26(c)[1], TCAL will file tariff pages with the Federal Communications Commission ("FCC") on July 18, 2022, to be effective on August 2, 2022. With this filing, TCAL interstate originating 8YY access rates will mirror the comparable interstate rates of the competing ILECs who filed tariffs pursuant to 8YY Access Charge Reform WC Docket No. 18-156, FCC 20-143 released October 9, 2020 ("FCC Order").

Teleport Communications America, LLC ("TCAL") hereby confirms its intrastate access rates in TCAL's Tariff P.U.C.O. No. 1 point to the Teleport Communications Group Operating Companies Tariff F.C.C. No. 2 and therefore no intrastate tariff revisions are required.

Should you have any questions or require additional information, please contact me at 469-657-6722.

Sincerely,

Richard T. Howell
Area Manager-Regulatory Relations

[1] The benchmark rate for a CLEC's switched exchange access services will be the rate charged for similar services by the competing ILEC. If an ILEC to which a CLEC benchmarks its rates, pursuant to this section, lowers the rate to which a CLEC benchmarks, the CLEC must revise its rates to the lower level within 15 days of the effective date of the lowered ILEC rate.
