SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: Columbus Gas's proposed increase in fees is regressive and undemocratic. The fee as is is already close to half as much as I pay for gas itself. All the costs should come from usage. Imagine having to go to the grocery store to buy one onion for a recipe but you had to pay a \$3 fee for any trip. It makes no sense. Do not approve this fee increase. It will put many people in unsafe conditions in the winter.

Sincerely,

Angela Donnellan
