SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: This increase should be illegal. What other company requires the consumers to pay for an upgrade. That's the companies problem, they should manage their finances accordingly to provide adequate service for its consumers. Over 80% of my bill is a required fee. How is that even legal. Do you know of ANY of utility or monthly bill that has over 80% of its bill a fee?! Columbia Gas of Ohio needs to upgrade its infrastructure with its own profits. Not rely on the public to fund its upgrade projects. Vote no. This is corruption.

Sincerely,

Angela Donnellan
