**SUBJECT:** Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: I oppose the proposed fixed rate delivery increase that Columbia Gas has brought before PUCO. I oppose these high fixed charges because they deny consumers the ability to lower their gas bills by reducing usage. And I have no ability to select an alternative natural gas provider, so this is Columbia Gas taking advantage of their monopolized consumer base. I get that every company needs to make a profit, but this is regressive and unaffordable for many people.

Sincerely,

**Angela Donnellan**
