SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: Writing to say that I absolutely oppose the proposed 27% average rate hike by Columbia Gas of Ohio. Last month I actually used 0 ccfs of gas at my residence because I was upgrading the lines as part of a larger permitted renovation. My gas bill for using absolutely no gas last month was just over \$40. With the proposed increase my minimum gas bill every month would be over \$50. That is incredibly unacceptable. Columbia Gas is a monopoly, residents have no other choice in who their gas provider is. Forcing residents to pay such a high fixed amount, regardless of their gas usage is not right.

Sincerely,

Bradley Berner
