DOCKETING CASE #: 21-0637-GA-AIR

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: Like many others, I am very concerned about the impact of Columbia's proposed fixed rate increase. As the cost of everything goes up, a proposal of a 300% price hike on fixed costs seems like an opportunistic overture to pad Columbia's bottom line under the guise of "better service delivery". There is simply no way a 300% increase is necessary and it will be detrimental to our already stretched household budget. I'm asking PUCO to stop this blatant price gouging for the sake of millions of residents who have no other option to power

their homes

Sincerely,

Angela Donnellan
