Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

The customer's comments are below:

The rate hike is completely out of peoples budget at a time when record numbers are struggling to put food on the table. Those of us who have purchased high efficiency furnaces and water heaters to lower our bills will have the savings completely wiped out.

Sincerely,

Michael Lumbard
