DOCKETING CASE #: 21-0637-GA-AIR

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: I am horrified that Columbia Gas wants to increase their rate. I work with people who are low income, including doing budgeting. If there was to be any type of increase at this time, it would create great hardship for the majority of low income people. If you need any proof, just look to the agencies which assist people with overdue utility payments - they are so overwhelmed, it takes 3-5 months to receive assistance. Please consider postponing this increase

Sincerely,

Bradley Berner
