**DOCKETING CASE #:** 21-0637-GA-AIR

**SUBJECT:** Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment "Base rate increase will put a strain on a lot of people's monthly budget, at a time when housing costs & gasoline costs are surging. This will impact quality of life for many people, while potentially giving Columbia Gas higher profits. In 2021, Columbia Gas was mandated to pay the government \$53 million due to violating the Pipeline Safety Act in Massachusetts. We should not be paying for their violation through a hefty rate increase. Please help reject this proposal." attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.
