SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment "Please do not increase natural gas prices for the actual product or for delivery of the product in my home. The cost of food, utilities, medical needs, and fuel for the car have sky rocketed and I cannot afford to pay for one more increase in anything. My health care deductible is up to \$8700 a year and that is over one-third of my total income. I cut pills in half. My car is virtually parked. I am a careful consumer of water and natural gas and limit laundry to cold water washes and showers to three a week. Please focus on the day to day needs of your consumers." attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally.
