Description: Dear Sir / Madam,

I heard on the local evening news tonight that Columbia Gas is requesting a 27% rate increase. I strongly urge you to vote against this increase. With gas and food prices at an all time high, with medical and prescription costs soaring, with price and rate increases on all consumer goods and services across the board, and with inflation running out of control—we are stretched to the breaking point. Enough

is enough. I can understand Columbia Gas asking for up to an 8% increase, but 27% is outrageous. Please, represent your people and vote against this request. Thank you.
