Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. The customer's comments are below:

Columbia Gas is looking to bleed everyone dry, in a time of record profits and mass desperation, Columbia thinks they aren't profiting enough from doing nothing but click "send bill" button.

In all reality, corporations such as Columbia Gas should be more concerned about their offices being firebombed and their CEOs being publicly executed than they should be about squeezing the last remaining juice out of every last miserable human.

Sincerely,

**Michael Lombard**
