**DOCKETING CASE #:21-0637-GA-AIR**

**SUBJECT:** Columbia Gas of Ohio - Protest Rate Case

Description: Columbia gas's application for a rate increase is nothing but an economic rent that will provide no value to the customers, and is merely a dividend to their shareholders. PUCO is a model of regulatory capture and is corrupt to the core. If house bill 6 has taught Ohioans anything, it's that a small bribe pays massive dividends. So my question to the PUCO board is: how big was the bribe and what are you buying with it? I hope you asshats enjoy your new beach house.
