DOCKETING CASE #:21-0803-GA-ATR

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Hello,

The delivery rate increase being sought by Columbia Gas will REALLY hurt our family. It is already bad enough being billed over \$40 per month just to have the meter hung on our house. The \$40 delivery and assorted fees is above our gas charges several months. It is only during the warmer months that we can finally make headway in paying down the amount owed from the previous winter. With such a HUGE increase, we will never be able to come close to breaking even. The massive increase will require us, and every customer, to have at least an additional \$30 added to their budget. In our case, that extra \$30 will amount to a 34+ percent increase to the monthly budget bill. Our Social Security did not, and will not, increase 34+ percent. Not even more sweaters and blankets will help us, as this increase will continue to take, and take, and take.

Please help us!

Tom

Sincerely,

Andrea Leitwein
