SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Customer comments: "I have read about the 27% increase proposed for Columbia gas prices. With all the other increases going on in our lives, this is a giant hike in a budgeted price we have in our lives. I know prices go up each year with most utilities, but 27% is outrageous. Please think about the state of everything else and vote no on this proposed price hike."
