DOCKETING CASE #: 21-0637-GA-AIR

SUBJECT: Proposed Rate hike

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Customer Comment: This proposed hike (27%) is too much. No matter how much gas you actually use you will end up paying the same amount, this is an unfair distribution of fees and it is unclear why (other than profit) they need this much. As customers with no other choice, we have no recourse. This is especially bad timing as rates continue to climb as natural gas becomes more expensive. We need more regulation of utilities.
